“ *Although I didn't get to know Mrs. Johnson very well during the three years I have been living next door her quiet spirit and beautiful smile always made me feel at peace. I can tell she was a fighter and a courageous woman up until the very day that God called her home. I can also further tell what type of woman she must have been by the qualities such as resilience, respect, consideration, love and kindness that was instilled in her great daughter Sandra. To her daughters, granddaughters and the rest of the family I pray that God keep you in peace, health and everything else good. God Bless you. Sincerely Tish Bowie*
