

Dorothy Jean Martin

April 23, 1943 - July 1, 2016

My Story:

Dorothy was born on April 23, 1943 to Roosevelt Rose and Isabell Washington, who preceded her in death. Dorothy was the only child. She was educated in Detroit Public Schools.

Dorothy lived her life to the fullest. She loved playing bingo and going to the casino. Before her death, she loved working at COTS with the babies, she was a foster grandparent.

Dorothy will continue to be in the hearts of so many.
