“Granny i never thought this day would come an i know thats the delusional side of me talking but it seems so unreal. Im so happy i had u in my life and that you were able to meet my kids. You are a great wife mother grandmother sister and friend and you shined the biggest light possible. You are a beautiful and amazing woman, one that i would follow anywhere without a single question. My kids will always know your name and everything you stand for. I wish you were here forever but i know your happy now that you are reunited with grand dad and thats all that matters. Im so grateful for all the time i had with you and i will cherish every memory forever. Say hi to everyone for me. I will always love you with all my heart.

“ My grandmother was everything I want to be in a woman. A excellent wife, mother, grandmother, great grandmother, aunt, sister, cousin, and friend. The MATRIARCH of the Tyler family. To have experienced the love she's shown me over these years is a complete blessing! I'll take the advice and love she's given me over the years and apply it to my own life as I try to navigate in a world without her. My Granny Girl! I love you!
