“ *I will always remember her strong voice and the way she looked out for us as her cousins. She would tell people hey do not mess with my little kin folk or you have to catch it from me. She was quite the funny bone tickler in that she could make you laugh even when you wanted to cry, that was her and Jannette gifts to our family.*

“ I am sending my deepest condolences to the Williams Family and Dorothy's extended family and friends. I met Dorothy through my father, Donnie. They were together for 15 years. There are no words that I can say to make things feel better at this time. I would like to say Thank You, Dorothy for being there for my father when he needed you. For being there by his side through the good and the trying times.

It's very sad and unexpected that she is gone on to the Lord. She will be missed! May God be with you at this time. Rest in peace Ms. Dorothy Mae Williams!
