“ Hi grandad I am so sad that you are no longer here on earth, you have finished the race and endured all of life's trials, tribulations and challenges, you kept the faith and you have received your reward. I will never forget our last conversation, and you thanked me for helping you and I thanked you for helping raise us, you said "it was my pleasure" I will not forget what you have taught me and how every lesson you backed it up with a scripture for that I am thankful, grateful and blessed. Love you always and forever Tetah
