" Mr. Weldon" I has been a venture for sure. We have known you for years. I would like to say Sonny "the dog", will miss you, but mom will continue to microwave his baloney {two pieces) of course. You were always good to our mom, and for that we Thank you. You always looked out for her, even when she continued to want a lot of rugs throughout the house:)... You both have been on great vacations, and I'm sure she will never forget the good times. I'm glad you were able to spend the time you had left, where you wanted in the comfort of your home, with mom (aKa) Rose! No, will ever be able to say her name the way you did:)

*"You will be missed"
