“ *My dear Sister, even though we were not blood sisters we were blood bought through Jesus Christ, and I believe that God put you in my life because I lost by biological sister some years ago, and this was God's way of filling the missing gap in my life. You have filled the gap and overflowed it with Love, Comfort, Fun, in good times and bad times. I will miss you and our private times together just to talk about family, life, love, and grandchildren. I will continue to shower your young men with Love, and Godly counsel until we meet again Genesis 31: 49 May the Lord watch between me and thee when we are absent one from another. Love your sister Annette*

Mama D, I'm so thankful that I was able to know you and know how beautiful you are and were. I'm going to miss hearing your voice around the house, calling Mike or Raphael. I hear your voice and see your smile in my mind telling me how sweet I am or talking about life. I'm so glad your pain is gone and we can rejoice that you are home with our heavenly father. I love you.
