“ *Dajuan, you will be greatly missed...but I understand to be absent from the body is to be present with the Lord. I will always cherish being able to pray with you and hold your hand before surgery. Being able to tell you I love you and how much you mean to me. I thank you for ALL the pure love you always shared with everyone! I will continue to pray for your family during this VERY difficult time. - Love Always, Min. Marnie*

“ *Those we love don't go away, they walk beside us every day, unseen, unheard but always near, cherishing the love that is so very dear. Let your tears fall like rain, then smile knowing that you will see them again. Our deepest condolences to the Abraham family on the loss of such a sweet soul. We love you cousins and will continue to lift you in prayer.*
