“ I remember in 2000, we went to the movies to see “Next Friday”. You promised me you would not fall asleep and snore like you were in a snoring contest...you didn't make it through the credits. I was secretly hoping they'd show the movie with the lights on but as soon as the lights dimmed, it was a wrap!! I spent half of the movie nudging and pinching you. You and I have had COUNTLESS great times, conversations and moments!!! Thank you so much for your unwavering friendship!!! Until we meet again Sir Bunk!!! I will love you forever!!
