“ *Uncle Nell,*

As I sit at the cemetery writing this, I want you to know that I love you and I miss you. It still hurts like hell and always will. I haven't accepted the fact that your not with us anymore. I get frustrated because it's not fair! You mean a lot to me and when you left, apart of me left too. I haven't been the same since but I know I have to stay strong but it's hard. But for you, I will keep it together I promise.

Your nephew,

C.DeBrossard

“ I am very sorry to hear about your loss of Dwaynell. During this time, please take comfort in the words at Isaiah 25:8 which tells us that God will wipe our tears and swallow up death. What a wonderful promise to look forward to. May the love and support you receive from family and friends sustain you during this difficult time.

“ *Nell was a very handsome young man. I felt like a real nephew. He loved my mother. He always called her grandma just like her grands. He will be missed. My prayers are with the rest of our family. R. I. P. Nell gone to soon. Pineneice*

“ Me and Nell go back 13 years, we met through Pheriby. He was always a cool guy. We use to have a few drinks and do lots of laughing. Throughout the years we would see each other the last time at a bar. He was with his friend and I was doing an alumni fundraiser beer bash. He bought tickets him and his friend to support us and had a great time. Him and my husband were in physical therapy together. My husband use to work on his cars for many years and every time we saw him it was just love. I want to send my condolences to his entire family. It is hard to wrap my head around what has happened but I pray in Jesus name that those involved are found and brought to justice. Nell you are truly missed! Your smile and energy could lite up a room. R.I.P. my friend and watch over us all. Love Danni
