“ *Keith:*

I remember so many good times we shared at Ferndale High, a smile comes over my face, and I can truly say you were a good friend. You were always a go getter, so it is not surprising the things you accomplished in life, and your accomplishments will follow you forever. As we got older I did not see much of you but I heard of your goodness. I pray that you rest in peace, your work is done and you did a great job. I will see you again in that great morning!

I offer my condolences to your wife and family. I cannot say I share the same grief, but I want to say I understand and only in time it shall pass, I offer her and the family my compassion and sympathy. I know that you are not far from them, they may not see you in the flesh everyday, but you are with them everyday in their hearts and the memories of things you did.

May God give you, your wife and family peace, your are missed.

“ I worked at Oak Park and Waterford Mott High Schools' with Keith. He was a loyal friend, knowledgeable coach, student-athlete advocate and a great person. I was upset to hear of his passing. He and I had great times together working with students on and off the athletic field.

I will treasure our memories, forever.

My wife, Rhonda, and I pass our condolences on to the family.
