“ Rest In Peace my dear friend. Edgar you will truly be missed by all of your friends at LLC, you were a great friend to many! I miss you rolling around the halls with your big gigantic smile that could melt any heart. You truly were a good friend to me, you have left me with some of the most valuable advice I have gained thus far. I miss our end of shift chats while we watched gun smoke and ate that fake popcorn that you love so much (the one with the clown on the bag) and you would tell me so many stories of your past. I will miss our evening goodbyes!! “Ok darlin I will miss you”, “love you more sugar”..... You were a great man and I will cherish the friendship you gave me always. forever love 217!
