“Edgar and I have been friends since elementary school. The two of us went to Kennedy Elementary School, Pelham Jr High, Murray-Wright, and the University of Detroit together. Since leaving Detroit forty years ago, Edgar and I continued to stay in touch. He has been a true friend.
My heartfelt condolences go out to the family. He will definitely be missed.

“ From 1997 until 2014 we have been together. May 1, 2009 we were united as Man and Wife and we vowed to stay together for better, for worse, in sickness and in health. Well our union had all of that and then some but through it all we stuck it out. We confessed our faults one to another and rebuilt what others wanted to see fail. You asked and I acquiesced. You made me cry tears of joy at 6:30 p.m. October 1, 2014 when you simply said that you loved me and appreciated everything I did for you. I told you that I was only doing what a wife who loves her Husband would do. If my love could have kept you here the pain would only get worse, so God chose to spare you that and called you home that night my heart. He gave You VICTORY over it all and for that I THANK Him.

I still remember like yesterday when he sang a Luther Vandross track called, "Don't Wanna Be a Fool" at the Finance Department's talent show back in the day. To this day, every time I hear that song, I think of him up there on stage dancing & snapping his fingers, having such a great time entertaining his fellow coworkers, etc & sharing those moments at work the next day lol. He was always nice to everybody.
