“ *I have known this here love of my life for 32 years and found out during that time that she is my cousin which made our bond even stronger. I have never met a more beautiful inside and out person in my life and I just can't imagine life without her being in it physically, but her pain is over and that is what gives me comfort. I will miss and love you until the end of time.*

*Love cousin,  
Andrea*
