“ *Aunt Edy, thank you for spending time with me and sharing fond memories that I will always cherish. The last time I visited you, I had an opportunity to see pictures of your mom and dad, my great grandparents. This was a blessing for me as I had never met them. I thought wow, now I see who you, grand-daddy and uncle Hookie looked like. Such strong genes. I know that you are in a better place and no longer struggling to breathe. You are free! I have fond memories of you and will always cherish the time that we spent together.*

*Love you!*

*Tasha*
