“ *There are so many wonderful memories and life lessons I learned under the wings of Grandma Edith. She poured love and Godly wisdom into me and my sister every Summer and visit we shared with Brandi. She treated us as her own and I am forever grateful to her. I am thankful that on one of my last visits to Michigan I was able to take my children to meet her. She shared with them many of our memories, showed them pictures and talked about our many fashion shows we put together for her. I love you Grandma Edith. Thank you for your unconditional love and wisdom.*
