

Ms. Edith Marie Milton

October 25, 1959 - March 26, 2015

In Loving Memory Of Edith Marie Milton:

Ms. Edith M. Milton, born on October 25, 1959 in Highland Park, Michigan was the eighth of nine children born to the union of the late Lillie M. and Norman E. Milton. God called Edith home on Thursday, March 26, 2015.

Edith's early education was through the Ferndale and Detroit Public School systems. Along with her education she also worked summer jobs through DPS and GM, she chose her career at what is now AT&T Phone Company as a Support Tech for thirty-plus years. Although Edith chose not to get married and start a family, the fun side of her was shared as she took her many nieces and nephews on vacations, shopping, or just expressing her generous heart during birthdays or holidays.

Although Edith retired early her favorite hobby was making decorative door wreaths for any occasion, even her gift wrapping became an art of her's. Baseball was her sport of choice and Godfather was her all-time movie to watch. Most of all she enjoyed volunteering at Judson Center, Focus Hope Meals on Wheels, Adopt-a-Family and donating to many charitable organizations.

“ *Edith the memories I have of our childhood will be what I cherish the most we had the most fun, laughs, and secrets. Along side of looking alike, dressing alike, going on summer vacation in Ohio with our big brother, stealing M&M's candy (lol, lol) gaining weight, and taking long road trips. You have been a special part of my life. I truly hope the time I spent with you while going through your transition you felt loved and not alone. Until we meet again I love you!*
