“ Thank you for just being you and taking me in when I was younger when my own family wasn't there for me. I love you dearly and am going to miss you, your beautiful personality and your infectious laugh terribly. You don't have to worry about Terene or Tereon they are going to be just fine. I know you will be watching from your side making sure everyone is doing what they're supposed to be doing. 🧡❤️💋. May you rest in peace.
