“ *Deepest sympathy to the Watkins Family. Jean has been a part of my life for over 40 years. I loved her compassion and love of family and friends. She will always be remembered by myself and my entire family as a true child of God and a extraordinary human being. I pray that Harold and the boys find comfort that she's in a better place where there is no more pain. I am going to really miss Jean. The thought of her not being on this earth is very hurtful but understanding at the same time. Love you dearly and will always keep you in my heart. Love Sandy*
