“ I know he was a great father because his son Dorian always talks about him on social media and express the great things he has done. My condolences to the family. I am praying for strength during this hard time.

“ This is such a devastating blow. I remember when he was born. His going to school, getting married, having children. We were so proud of him. He was such a great Husband, Father, Uncle, Cousin. He was my nephew and will never forget the impact he had on our lives. Until we meet again . Love you  
Aunt Jackie(BAUMAN) Clark.

“ Edward our son-in-law was a true Family man, his Life reflected his values. We know he valued his marriage to Gwen (Gudie) most of all. A Wonderful, caring Father to his sons. He will be remembered as a kind and loving Husband & Father forever by the family! His passing means this world is a little smaller for us now. Remember Family is forever and even though Edward has passed away, he lives on in our minds and hearts. Stay strong, those we love don't go away, they will walk beside us everyday.
