“ *To Uncle Sonny and Family: I was in total shock when I heard about Cousin Petey's untimely passing. There is not a day that goes by whenever he sends a text or a phone call when we check on each other. I will miss our hour long phone calls during the holidays or just because we are always thinking about each other. May God Bless you and the family during your time of beareavement. I love you very much!!!*

“ *My sympathy to the family. No one is ever totally prepared for the death of a loved one.
May you draw close to God in prayer and he will sustain you. -
