“ *Eddie was the first person i met in 1961 on the Talladega College campus. Through the years we kept in touch and he became a good friend. We talked and shared many things in total confidence and i will miss this most of all because friends like Eddie do not surface everyday.*

May God grant the family peace and comfort in knowing Eddie was a special person always smiling with a positive attitude. That alone is a rare commodity today.

“ *My sincere condolences to you in the loss of your father. Eddie and I were high school classmates at Ballard-Hudson in Macon, GA and we both attended Talladega College. He was an excellent saxophonist and just a lot of fun. I last saw him at our 50th high school reunion. It was great to reconnect again. Cherish his precious memories always.*
