“ *There is so many good memories of Ed especially the love he have for the LORD. He brought joy to everyone he encountered people he knew and people he did not know. He will be missed by many. My deepest condolences to the family keeping you all in prayers*

“ *I worked with Ed at Ford and he was always such a delight to be around. He was upbeat, kind, helpful, and always had a positive thing to say to lift you up. My thoughts and prayers are with Ed's loved ones during this difficult time.*
