

## Mrs. Edwina Natalie Alford

September 28, 1972 - October 6, 2019

In Loving Memory Of;

Edwina Natalie Brown was born on September 28, 1972 in Detroit, MI to Deborah Ann Brown and Tyrone Pickens. Wendy accepted Christ at a young age and was a devout follower of her faith. She was motivated by inspirational speeches and always on a quest to get closer to her God. She also attended Detroit Public Schools where she obtained her certificate of high school completion. Wendy continued her education and received a certificate for office administration assistant at Wayne State.

Edwina was beautiful inside and out. She had a heart of gold and she loved to dance, Hustling, staying fit, and spending time with family was what she enjoyed the most. This made her a devoted and loving mother. Her pride and joy was her grandson Cordell who gave her the affectionate name she loved "Honey G."

“ *My dear friend, I loved working with her during the time that I did, our birthdays are 2 days apart, and we would always laugh at our similar Libra traits. She kept a smile on her face, and that laugh she had was so infectious. I texted her a week before she went to be with our father, she said we would link up soon and said we had to celebrate. I'm going to miss her, our silly conversations, but I will always remember her for loving her family and grandchildren immensely, she is definitely one of a kind and made her mark. Now rest queen, and continue to watch over us. My love and prayers are with the family, until we meet again. Love You*
