“ We are deeply saddened by the untimely passing of *sista Taylor*. A beloved wife, mother, grandmother to many and friend; her loss leaves a void that words cannot fill.

Reverend Taylor, I cannot imagine the immense pain of losing someone with whom you've shared your life for over 50 years. Your love and devotion to one another were always so evident, and it was a privilege to witness the beautiful bond you shared. I know that in time, the many cherished memories of your life together will bring you comfort and peace.

*For 20 of those years, we had the honor of knowing *sista Taylor*. She wasn't just a neighbor—she was family. Her beautiful smile could light up any room, and her warmth and kindness made every moment with her truly special. She had a unique ability to make everyone around her feel loved and valued, and her presence will be deeply missed by all of us who were blessed to know her. Memories of her laughter, generosity, and the light she brought into our lives will stay with us forever.*

Sista Taylor was a remarkable person, and her kindness, warmth, and spirit touched everyone around her. We will always treasure the wonderful moments we shared with her, and her memory will continue to live on in our hearts.

*With deepest sympathy and love,
Dr. George and Cheryl and Family.*
