“ *Elaine had a heart as big as gold. Penny introduced me to Prince's music and we had a blast at the opening night of the Purple Rain tour in Detroit. I learned about short people challenges on our way there. Elaine kept reaching for the overhead bar on the bus and missing it nearly falling over repeatedly bumping into me so I asked her if she had a drink; and in her nice nasty way she told me "I can't reach it Amazon". I was only 5'6" tall. I apologized and we fell out laughing all the way downtown. Penny was my 1st friend and was the closest thing I had to a sister. I love you "Pen-a-loop" and will miss knowing the world was brighter because you're in it, road dog.*
