“ *To my dearly departed friend, Elizabeth: I was so saddened when I heard the news of your passing. We have shared our children since the time they were in grade school. We were truly blessed to have had you in our lives for so long. A light has gone out in our world, but Heaven has gained an angel. We can all be comforted in the fact that we will be together again someday. Until then, rest, my friend. Love, Pat 🙏❤️*
