“ I have missed this wonderful woman and friend ever since she retired and retreated from her world at EDHS for so many wonderful years where she was loved and admired by everyone!!! We used to meet for long lunches with her dearest friend Mary and we would sit for hours eating, laughing, and talking! And, when we couldn't meet for lunch, the phone calls filled in! So many beautiful- and funny!- unforgettable memories from a student trip to France she and Mary went on with my French students. Those are precious times to look back on -and Ella will never be forgotten by anyone who knew and loved her!!! May she rest in peace and in the loving arms of the Lord forever. 🙏❤️ Kim Kusnier

“ Ella and I worked together in the counseling office for many years. We shared the joys and frustrations of our students. Unfortunately I have not seen her since we retired. My condolences to the family.

“ Mrs. Doster was the sweetest soul ever. I came to know her and spent time at her some during my college years as I was roommates with Elon. May she rest in eternal paradise.

“ I was a teacher at EDHS and worked with Ella for several years. Her door was always opened to students and staff . She was loved, highly respected and missed when she left. Counselors like Mrs. Doster are hard to find. Rest in peace and may the light of the Lord shine upon you. ❤️🙏❤️🙏❤️

I loved Mrs. Doster. She was the best counselor always helpful, always encouraging, and made sure we got the job done. May she rest in peace. I am forever grateful for her caring, guiding way.

“ *Mrs Doster was fondly remembered by her students at EDHS. Many beautiful comments about her on the fb page of EDHS. I was a student of hers in her first year there. She was a pioneer. She was the first teacher of color at EDHS. Back in 1969-1970 that was a big deal. Her graciousness and love for the students won our hearts over big time. My sincere condolences to all who knew and loved her. May she eternally RIP.*
