“ *Candy, Sonny, Tina & Nelson, please know that I will always be here for you. Our families have been close for many, many years. Now that all of our parents are together catching up with one another like in the good old days. I am glad that your Mother and you all have included me in your lives. God blessings to you during this difficult time but we all will meet one day in Glory. I love each of you. Dorothea "Doe"*

“ Grammy you have been the BEST Grandmother anyone could have apart of their lives. You were a Classy lady emphasizing the importance of education and independence. You were a great example and always supportive. I will forever be grateful for everything you taught me. I will continue to be a woman with standards and resilience. Thanks for loving me and my Children we will make you proud. To my Mama , Auntie Candi , Uncle Sonny and Uncle Nellie I love you. Grammy is gone but I know she wants her family to remain close and love one another. Be encouraged family we have a lifetime of memories. Stand strong and united.
