“ Dear Cousins, I and Frances are thinking of you and praying for your comfort and strength. We celebrate Elton's kindness, warmth and infectious smile with you. I always felt welcome in his presence and he passed that on to all of you. It is written that a tree is known by it's fruit. Luke 6:43 “For a good tree does not bear bad fruit, nor does a bad tree bear good fruit. 44 For every tree is known by its own fruit. For men do not gather figs from thorns, nor do they gather grapes from a bramble bush. Elton was a good tree. You are Elton's gift to the world. His legacy tells all that anyone needs to know - a good man, brought more goodness into the world than he took from it. His account is paid in full and he leaves it in good standing. I am so proud of all that you have accomplished, proud to know we are family, and thankful to Elton for all that he poured of himself into you. He lives on in your love for one another, your amazing accomplishments, your fondest memories of him, and the stories you will tell each generation that follows. We love you and are with you always no matter the distance that separates us. Sincerely, Ron & Frances Levi.
