“ *I spoke at length last week with Candice Anthony, daughter of Emma Truss Miller. It was a poignant conversation, and we talked about Emma's background and history at the nationally recognized Detroit Records Court. I talked with Emma many times during the past few years. She was a wonderful person and a delight to work with. She was highly intelligent and very fluent. She was a wise person and always offered good advice to the probation officers and staff who sought her counsel. I'm sure that her wisdom also served those in the courthouse who were her purported elders. She was my friend, and the world was a better place with Emma Truss Miller!*

“ Miller family, we share in your grief during this time. Mom has completed her earthly journey and has gone on to join the other virtuous and faithful women of our Lord. God's grace and peace,

“ I shall always remember 'Miss Em!' She greeted me with kindness (and humor) whenever I entered her office. 'Miss Em's presence was a joy for all who knew and loved her. Farewell, good lady! Farewell! May you experience eternal rest and peace in the comfort of our God.

“ My recollection of Ms. Emma Miller is as a stellar Administrative Assistant to Wayne County Probation Dept. Director, Dr. Theda Y. Bishop. Emma was always ready to assist probation agents and others. She had a wonderful sense of humor and was able to find the light side of any situation. My condolences to the family and friends of Ms. Miller during this difficult time.
Sincerely,
