“ Auntie Jean will forever be loved and missed. She came into my life when I was about 6 years old through my Best Friend and her Niece Ericka. Many a weekend had me and my younger Sister spent with Auntie doing various activities like Birthday Parties, Movies, Kiddy Discos, Parks, Church or just weekend cleaning filled with music and more children filling her time. We were her children before she had our God Siblings Dorian and Deyana. We were usually in attendance for their birthday parties and other special occasions. She was there for many of our lives events over the years and her love for us never wavered. I have several memories of moments she was like a Mom to us as well and a definite blessing when we truly needed her support. My heart and prayers are with her entire family. Your Bonus Niece Arieon

I am going to miss Jean even more now. We lost contact when I had a stroke. I have gone by her house several time to try and get a glimpse of her. She was always willing to give me a ride or everything else she could do to help. I pray that you and Pedi reunite in the great beyond. Friends forever 💕

“ I am sending my love and prayers to the family. To me Jeana was my second mom who practically raised me from when I was little and I love her so much as well as Dorian and DeYana. There are so many great memories I can't just pick one. Heaven gained a beautiful angel that always put God first in all that she did. She is gonna be missed everyday of my life. Pauline Ponzo

“ I have a lifetime of memories of my mom, and those memories (coupled with our faith) are what are carrying me and my sister through each day of this hurt. The last conversations on (& after) her birthday are going to be the loudest. She was so happy on her birthday and it spilled over into the next day before the tragedy. I keep reflecting on the things that my sister and I did for our mother, and I feel happy with knowing that we did right by her. It just breaks my heart and soul that I wasn't there to try to help save her.
