“ *Endia, it is difficult to believe someone so beautiful, precious is gone so soon. I knew you as a child and young adult. My heart is filled with many Farmbrook memories of you and Ericka growing up as sisters. It is now filled with pain and sorrow. Prayers for your spirit's safe journey back to Jehovah, your children for comfort, your family for strength in care of your children and preserving you memory forever or until Jehovah calls your name and he will call.*

Your smile was like sunshinr and your anger like thunder, all gone too soon. Too many wonderful stories to share with your kids for you not to join in, RIP Endia cause you were loved!

Endia, I am still in shock and in disbelief to your passing, I remember spending the summer with you and your family in farmbrook even to this day it was one of my best childhood memories. I'm glad we were able to reconnect on fb. I pray for your Mom, Dad and JG. I especially pray for your children for comfort. I pray that Jehovah keeps you in his memory. As I'm writing this I still can't believe it. I love you Endia.

*Dear Jerry, Regina and JJ,
Along with you our hearts are heavy with grief and we feel the sting of such a beautiful young woman who left too soon. We can't express words of sorrow deep enough to let you know how broken our hearts are as well. Our good times together watching our children grow are priceless memories. Our greatest hope and comfort now is all in the hands of our wonderful heavenly father, Jehovah. May he embrace you from this point on and forever with his spirit, peace, hope and love. Truly he will do this since he is near and cares for all those who's spirit is broken and all those who mourn. But not for long for when she rises and we see Endia again there will be no end to our joy and happiness. These promises are faithful and true. Rev 21:4 We love you all so much.
