“ Rest in Heaven Aunt Dean. You are truly going to be missed. At this moment, I would like to honor your laughter, joy, happiness and wisdom. My Auntie always sent out Birthday cards to everyone in the Family. She did not miss anyone. Words can not describe the love she had for our family. I honor you for teaching me how to pray and praise God at a early age in my life. I will always remember my visit's to Detroit and staying all night with you, specially time we all had on white pants walking down Finkel. We got some much attention specially my aunt with her nice body figure. I am glad that you are no longer suffering with pain. God Be the Glory! Much Love Auntie Forever!
