“ *To my good friend Pudden Hold tight to memories for comfort, lean on your friends and family for strength, and always remember how much you are loved. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. I love you with all my heart and I am just a phone call away & 10 minutes from your house. I will be here for you now, tomorrow & forever. ❤️ U Pudden Pop!!*
