

Mr. Ernest Antonio Patterson

December 17, 1958 - January 13, 2016

In Loving Memory Of Ernest Antonio Patterson:

On December 17, 1958 Ernest Antonio "Tony" Patterson entered the world from the union of Robert and Lula Patterson. Tony may have been the last born but he made his presence known among his other eight siblings.

Tony accepted Christ as his Savior at an early age. Tony, as he was affectionately called by family, was born in Dawson, Georgia but was raised in Detroit, Michigan from the age of 3. Tony was educated in the Detroit Public School System. While Tony held various positions of employment through out his lifetime, we that know and love him are very familiar with his entrepreneurship spirit. Because of his love of drawing one of Tony's goals was to become an architect. Tony had a great gift of gab. Whenever you saw Tony you could expect a smile and laugh by the end of the conversation.

Tony was joined in holy matrimony with Piniece Jenkins, where unfortunately there were no children born of this union but Tony, prior to his marriage, was the father to two beautiful daughters, Tonesha Crumb and LaShaunte Kingsley.

Tony departed this life on January 13, 2016

“ *With Deep Condolences to my family for the grief that you are feeling at this time. I have my moments as well. At this time I would like to give honor and an enormous thank you to my sisters Marie and Jackie as well as my niece Melody for taking care of Tony's arrangements. I could not be there with you for the Home Going Service of our brother and uncle due to illness. From the very bottom of my heart, thank you and I love you all very much. Your sister and Aunt, Ruth*

“ Our Mom gave me the Honor of giving you your name. The greatest Honor to be given to a sister. I loved you then with all my heart and I will continue to love you. You wrote me very long letters, you had such a beautiful hand writing. You told how you had found the Lord. At that time I did not know if you really meant that or if you thought it would make me feel better, for the beg you were going to put on me. you told me how much you loved me..I loved to hear you talk. you reminded me of our brother Sunny. He could talk me out of every thing I had. Rest easy Tony and I will see you later. Your Sis, Ruth

“ Tony, I did not see you often. However, you were always in my prayers. You were my baby brother and I love you very much and I always will. I helped our Mom to raise you for three to four years of your life. I will never forget you. Your Big Sis. Ruth
