*Uncle Buddy,
I loved you , I cared and was there with you. It was my gift to you to show you how much I loved you. I miss you so much. My heart is very heavy, I know you had to leave you told me so and I know you Grandma and Mama are having the time of your life. One day we will all be together again. You can count on it, but in the mean time I'll take care of the rest or our family you can depend on me. Loving you today and forever your one and only Niece.*
