“ *V, I have to say I was blown away to receive Erroll's obituary in the mail today. My heart is heavy for you and Devin. He was an awesome man. I can "imagine" your pain as you know I was where you are now not too long ago. I just feel bad that I wasn't there to support you. Had I known you know of course I'd been there in a heart beat. Please know that I am still here. Love, San Williams*

“ To my life long friend Arveta Grady-Fletcher and family: I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in ,knowing that our lives have been enriched by having shared their love.
