I remember sister Esther offering to drive me home, but her car wouldn't start at NC3. At the behest of a fellow Christian brother, we lay hands on her car and elder Claxton received instructions from Holy Spirit, took a screw driver, placed in the right spot in her engine and her car roared to life! God is faithful to those that look to Him for help.

My heart felt condolences to sister Esther's family. She is with our LORD, and I'm the richer for having known her. Blessings! Gwendolyn McIntyre
