“ *To Dr. Gloria Sellers, Bro. Perkins and Family:
When we heard of the home-going of your dear sister, our hearts were moved with compassion. Life's challenges will not allow all of us to be with you today. However, we wanted to reach out to let you know how much we care. May God grant you a bountiful harvest of love and support in return for the many people you have comforted in their times of bereavement. Please know that the entire Wynne family is praying for you. We will be here for you in the days to come. Whatever we can do to support you and your family, please don't hesitate to reach out. We love you, but God loves you best. May He grant you the grace to go forward today and in the future.*
