“ *Dear Fenderson family, I want to offer my condolences and to assure you of a wonderful hope that the bible offers. The bible makes the promise of a resurrection at Acts 24:15. It also tells us that death will be no more. (Revelation 21:4) You can believe this because God is the creator of life and he is certainly capable of restoring it. He has resurrected people in the past and is eager to do it again. (Job 14:14,15) He will resurrect them here to the earth and you can see them again without having to die. My hope is that you take comfort in these promises and that it can in some way ease your pain at this time.*
