“ *Dear Pat & family,*

As a newer neighbor of yours (I live in the house where the cottonwood tree drops all it's stuff!), I thank you for sharing your mom with our neighborhood. I recall her sitting in your backyard and chatting with her grands and great-grands. She was always pleasant and seemingly, very peaceful.

Nothing or no one can replace mom. What you DO have is a lifetime of beautiful memories from the woman who gave you life and love.

Know you and your family are in my prayers!

Respectfully,

“ I met your mother 4 or 5 years ago over your house. She seen what shape I was in and she waited and cared for me if I was her own child. I really loved that she really care. You don't know how much she will be missed by everyone she touched. Your mother is back with your father know looking down over you. Be thankful she has her well deserved rest and at peace now in the hands of the Lord. May-she REST IN PEACE

“ Mom Blount has been an inseparable part of my childhood. I can't think about growing up without thinking of her. Her smile, her warmth, her love, and her big heart always made me feel like I was a part of the family.

Mom, you will surely be missed, but the warm and wonderful memories I have of you will always keep you alive in my heart.

I love you.
