“ *Your mother lives on in you. She lovingly nurtured her children when they wear small; later supplied guidance when they became adults. Her fortitude, work ethic and love were instilled into her children. Therefore, Mrs. Eva 's legacy lives on through her children ; grandchildren and great grandchildren. To God be the glory for allowing me to know such a dynamic and strong woman. I am blessed to be part of Eva's extended family through her son (James) - my wonderful brother-in-law !*
