“ *That was my god daughter. From day one over 10 yrs, this child respect me and was good to me. No matter what or how she felt she put others before her. Didn't have a selfish bone in her body. Very sweet and lovely, and I will never forget u. Rip my love. Love ur god mom, Calandra.*

“ *Eve, you were true motivation for me and others as well! You will truly be missed. You're such a brave, strong, loving woman who stayed fighting. You were definitely a fighter girl. Love you and until we meet again.... Rest easy Eve!*

“ I have known Evelyn since I was 14. It did not matter what events or circumstances happened in our lives, it never changed the way she treated me. I remember all of our moments hanging out as teenagers laughing, shopping, crying. You ALWAYS were the voice of reason. You always had time to listen to myself or anyone else who needed you. I will never forget that about you! I have always watched you and listened to you and gained so much motivation from it. Literally God planted you here as an angel. You even gave my baby (dog) a home when I was going through a very rough time in my life. You invited Elianna and I over several times to be a part of his life still and for that we are both grateful. I will miss that sweet voice of yours and that amazing smile and laugh that literally made anyone and everyone else around you smile back. Love you and you will be missed❤️

“ Evelyn was my dearest, sweet and loving niece that I adored immensely and will miss so much. D'Jon and I will never forget you. Evelyn has her wings now and can feel no more pain. To my sister Cozette, know that she is in a better place and loved you very much.
