“ *Mother Washington held a very special place in my heart, she welcomed me and my family into her family. I will always remember the moments she called me and said come by get you some dinner before you go home and take the girls and mother some too. I will forever remember her calling me Reba for some reason she would never say Aretha! But that was ok for I knew what she meant, we had a special bond that I will forever carry in my heart. Always remember to be absent from the body is to be present with the Lord!!! Hold on to her love the memories both good and bad after all that what life is all about enjoying the good and bad but always hold on to the love that she had for all that knew her and loved her. Hold on to God's unchanging hands, he will comfort you and keep you comforted in this time of need. Love you all , Aretha aka Reba*
