“ *The Plant house was the place to be on the holidays. There was always great food and great fun! My grandmother, Mrs. Gladys Gladney made it a priority to enjoy several of the holidays there and although she was in her 90's she loved to sneak to where Mr. Plant and his guy friends convened to drink the best "juice", (I'm winking my eye as she would), and like the gentleman he was Mr. Plant made sure she was always welcomed and made to feel as comfortable there as she did when hanging out with the ladies. What kind of "juice" she drank was she and Mr. Plants secret and they shared a lot of laughs about it. She always left the Plant house full and most importantly happy. My heartfelt condolences, love and prayers to Mrs. Plant and the girls at this difficult time.*
