“ *The only uncle I know, I can remember the countless times you would tell me the story of how when I was a small child I grabbed your hand while you were in court and said come on Uncle Ex let's go home and walked you out of the court room. The life lessons you taught me how you would always say you can do what the next person does but better, no one has anything that you can't get. I Love you so much Uncle Ex you will never be forgotten* 🍀💙❤️
