“ Auntie. I never heard a cross word or a vile comment about anyone. I do remember you would tell me you would whip me and my mama; your baby sister if I was disobedient. Of course I never talked back, WE all knew better. Auntie was the truth of it takes a village to raise a child. Auntie you are wonderful memories and a guidepost as an ancestor in how we should treat each other. The sing always has a verse: True love asks for nothing. Auntie you were true love and you never asked, but gave. We are all better for having you in our lives. I will treasure your memory and my last conversation with you, I did hear your laughter and it rings in me now. Love you always Auntie.

“ *Proverbs 31:10-31 speaks about the Virtuous Woman- one whose price is far above rubies! The Word says: The heart of her husband doth safely trust in her, so that he shall have no need of spoil. She will do him good and not evil all the days of her life. Strength and honour are her clothing; and she shall rejoice in time to come. She openeth her mouth with wisdom; and in her tongue is the law of kindness. She looketh well to the ways of her household. Her children arise up, and call her blessed; her husband also, and he praiseth her. A woman that feareth the Lord, she shall be praised.*

My aunt Mrs. Fannie Spearman was a rare, virtuous woman gifted to us by God for 94 years! We honored and praised her while she lived and on her transition, we do so still. We are better for her love and steadfast presence in our lives. She has gone on to glory and remains in our hearts forever.

Lord, thank you for the blessing of Mrs. Fannie Mae Spearman, your good and faithful servant!

Her niece, Joanne
