“ My dear Faye, from day 1 you and I were destined to be friends. You were crazy you were loud, you were funny, you were annoying but I loved you like a sister. I know we didn't hang outside of work, but we did see each other often. For some reason you always loved my hair 🤔😭 when I cut it you called me everything but a white woman. There are so many memories we shared, we laughed at and later we cried together a few times. I remember your last pregnancy, boy it about killed me 😭 I love you my little buddy and always will. I hope the family takes care of Victoria (my namesake plant) you be well up there with your momma and keep shining bright for those of us left here. Love you and am missing you ❤️🙏😊😭
