February 25, 1928 - June 28, 2016

In Loving Memory Of Faye Griffin:

Faye Griffin was born on February 25, 1928 in Arno, VA. She was born a twin to the union of Clinton and Lillian Horton.

Her younger years were spent in Virginia where she attended school. She married Junius Griffin on October 10, 1949. Faye and Junius relocated to Detroit, MI shortly after. To their union they had six children: Delbert Horton, Linus, Deborah, June, David and Reginald.

Early in Detroit, Faye became a member of Second Corinthian Baptist Church, then presiding the late Rev. Ford. She later in life, became a member of Springhill Missionary Baptist Church, under Rev. Moss.

Faye loved to travel and entertain family and friends in her home on various birthdays and holidays. She traveled the country to different locations of the Horton's family reunion, her class reunions in the Horton, Virginia area and other favorite locations where her family resided.

Faye, "Griffin" as she was commonly known, retired from the nursing department of Metropolitan Hospital in 1986, after 16 years of service. She worked in the OB and the medical departments.

She loved and was good in patient care.

Faye passed on June 28, 2016 in her home, under the care of her youngest son, Reggie. She had a long battle with renal disease.

“ *Faye is the Grandmother of my three children: Linus "L. A." Courtney, and Wynter Griffin. I will forever remember the time Faye came to Virginia to stay with us for two weeks when L. A. was born. She taught me how to cook many of Linus' favorites and all from scratch. She was so gentle, kind, and loving. Whenever ones would complain about their mother in-laws I was honored to say what a wonderful one I had. Even though my marriage didn't last with her son, she never treated me any different. We still continued our Sunday morning calls as often as health and time allowed.*

I loved her so much.

“ *Aunt Faye is the twin sister of my beloved grandfather- Ray C. Horton, Sr. (deceased). My best memories were of the Horton Family Reunions held in back yards, church basements and playing in the Jeffries Projects. My Aunt Faye was always loving and affirming. She and Aunt Mable would tell us how beautiful and smart we are; while others would have side conversations about our clothes or our being over weight. My goddaughter took care of Aunt Faye during her last stay in the hospital and she spoke of how powerful her love of God, her love for her children and how much she enjoyed being a nurse. Aunt Faye, thank you for allowing love to show up in you and for always honoring Mamma and Pappa by being simily a great human being! Tell Granddaddy, my brother Richie, Uncle Bug, Calvin, Tee and Granny, I love and Miss them dearly! Rest in Peace and Power!*
